

Jessica Lam

Associate | Toronto

jessica.lam@blakes.com

Toronto: 416-863-5847

Jessica has a diverse litigation practice with a focus on product liability and class action matters, which often involve complex scientific and medical evidence.

Jessica has also been involved in matters involving contract law, administrative law, media law, privacy law and constitutional law, and has appeared as counsel before various levels of courts.

During her articles, Jessica completed a secondment in the legal department of one of Canada's largest medical devices companies, where she worked on a variety of litigation, regulatory and commercial matters.

SELECT EXPERIENCE

Recent representative matters include acting as counsel to:

- Various multinational pharmaceutical and medical device manufacturers in class actions involving a wide variety of medicines and devices
- Pharmaceutical and medical device manufacturers on issues of regulatory compliance
- A multinational hotel franchise in a class action involving allegations of deceptive trade practices
- An international software company in a licensing dispute
- A large media organization in a constitutional challenge relating to freedom of information legislation
